

**Monday, March 30<sup>th</sup>, 2015**

- 09:00 - 09:10**      **Welcome and Introduction**  
*J. Bruix*
- Chair: C. Bru**
- 09:10 - 09:45**      **Clinical cases to frame the current scenario**  
**Early HCC, ICC, Intermediate-advanced HCC**  
**Screening, Diagnosis and staging, not treatment**  
*M. Reig, J. Bruix, M. Solé and L. Bianchi*
- 9:45 - 10:15**      **The Changing Pattern of HCC Epidemiology**  
*M. Colombo*
- 10:15 - 10:30**      **Questions & Answers**
- 10:30 - 11:00**      **Molecular Mechanisms in Preclinical Models and Genomic Profiling**  
*J. M. Llovet*
- 11:00 - 11:15**      **Questions & Answers**
- 11:15 - 11:45**      **Coffee Break**
- 11:45 - 12:15**      **Diagnosis, Staging and Evaluation of Response to Treatment by Radiology**  
*C. Ayuso*
- 12:15 - 12:45**      **The Role of CEUS in the Assessment of Hepatic Nodules and Their Follow-Up After Therapy**  
*F. Piscaglia*
- 12:45 - 13:00**      **Questions & Answers**
- 13:00 - 14:00**      **Lunch and Group Photo**

**Chair: J. Bruix**

- 14:00 - 14:30**      **Intrahepatic Cholangiocarcinoma and Mixed Hepatocolangio  
Diagnosis, and Treatment.**  
*A. Forner*
- 14:30 - 14:45**      **Questions & Answers**
- 14:45 - 15:15**      **Case Studies: Diagnosis and Staging of HCC**  
*M. Reig, J. Bruix, M. Solé and C. Ayuso*
- 15:15 - 15:45**      **Resection and OLT: Restriction Versus Expansion**  
*P. Majno*
- 15:45 - 16:00**      **Questions & Answers**
- 16:00 - 16:30**      **Case Studies: Management of HCC (Including Stage Migration  
Concept)**  
*J. Bruix, M. Reig, A. Darnell and F. Piscaglia*
- 16:30 - 17:15**      **Systemic Therapies of Advanced HCC: Current Failures and Future  
Perspectives**  
*M. Reig*
- 17:15 - 17:30**      **Questions & Answers**

**Tuesday, March 31<sup>st</sup>, 2015**

**Chair: C. Ayuso**

- 09:00 - 09:30**      **Novel Imaging Techniques for HCC Management**  
*J. Rimola*
- 9:30 - 9:45**      **Questions & Answers**
- 09:45 - 10:15**      **Prognosis & Prediction for HCC: Challenging the BCLC Staging System**  
*J. Bruix*
- 10:15 - 10:30**      **Current Perspectives on Ablation for the Treatment of HCC**  
*L. Bianchi*
- 10:30 - 10:45**      **Questions & Answers**
- 10:45 - 11:15**      **Prevention of Recurrence: The Still Unmet Need**  
*J. Bruix*
- 11:15 - 11:30**      **Questions and Answers**
- 11:30 - 12:00**      **Coffee Break**
- 12:00 - 12:30**      **TACE and TARE: Competing for a Niche.  
When to Start, When to Repeat and When to Stop.**  
*S. Bhoori*
- 12:30 - 12:45**      **Questions and Answers**
- 12:45 - 13:15**      **Treatment Allocation and Management of HCC Treatment with sorafenib: The Clinical Practice.**  
*M. Reig*
- 13:15 - 13:30**      **Questions & answers**
- 13:30 - 14:30**      **Lunch**

**Chair: M. Reig**

**14:30 - 15:15      Management of Systemic Treatment in HCC: Clinical Cases**

*M. Reig, J. Bruix, S. Bhoori*

**15:15 - 15:45      Current Status of the Treatment of Viral Hepatitis.  
Impact in Clinical Evolution of Chronic Viral Hepatitis.**

*X. Forns*

**15:45 - 16:00      Question and Answers**

**16:00 - 16:45      Challenging the Dogma in HCC Management and Future Research**

*J. Bruix*

**16:45                Closing Remarks and Farewell**

***Visit to the research facilities (Dr. Boix) and Radiology Departments (Dr. Vilana)  
at the close of today's session***
